

CLOSET SWAP

Ever wondered what to do with those belts, purses and shoes that you can't use any longer?

As part of our Consumer Education – Recycling program we will be having a unique recycling event but it will only work with YOU there!

Bring anything out of your closet that you would be willing to swap with someone else. As long as you bring something you may take something, free of charge. If you just want to shop there will be a small handling fee.
